

Instant hydration and elasticity, all in a single drop

PDRN Collagen Serum

Firmer, Tighter,
and beautifully
revitalized skin

Ultra-concentrated
serum texture

Gentle Collagen
Serum

Low molecular weight peptides are easily absorbed into the skin, making up the skin's natural collagen and elastin. Peptide ingredients contain amino acids, which are essential for skin health.

Densely absorbed to
strengthen and replenish

your skin from the inside out

#PDRNCollagen #Hydration-Firmness Infusion Serum

Hydrate deeply to create the perfect canvas
for flawless makeup!

#Hydration Boost Serum

These days, my skin just feels dull and lifeless 😞

My skin just feels saggy and tired 😞

My skin feels tight and rough to the touch 😞

My skin feels dry and looks dull 😞

I want a formula that melts into my skin
instantly—no residue, just deep absorption 🤔

Intensive care from the surface
to the deepest layers
experience skin that's full of moisture

**A single drop
to fill your skin**
with firm, lasting moisture

Pure moisture that builds with each application
leaving skin fresh, bouncy,
and beautifully clear.

Moisture

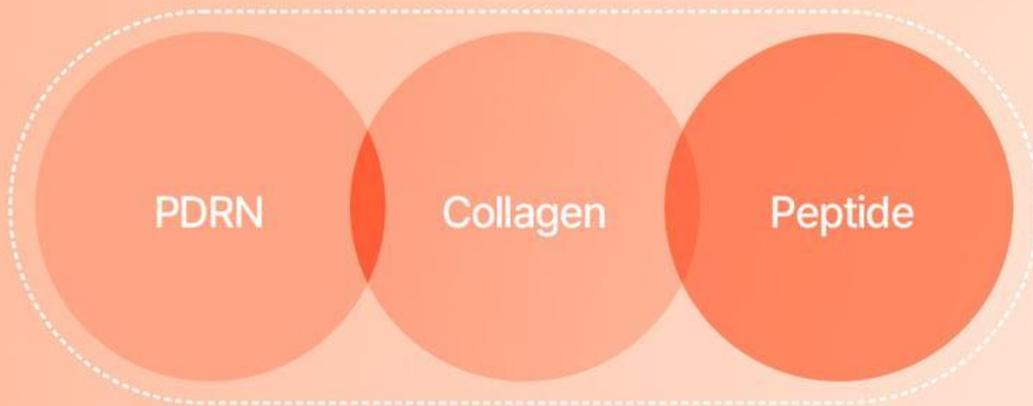

Skincare

Taking care of the three key elements
of skin at the same time

Deep comfort inside, crystal clarity outside

your all-in-one moisture barrier booster serum

Effective ingredients to rescue
dry, rough, and lifeless skin

PDRN + Collagen + Peptide

Triple-action care that lifts hydration and firmness at once,
restoring your skin's healthy balance

* Based on properties of individual ingredients

Plant-based PDRN **ingredient derived from rice**

Delivers nutrients deep into the skin to help rebuild and strengthen weakened skin barriers, supporting overall healthy skin condition.

Synergy Booster Care

Elasticity-boosting synergy
Powerful booster care

*Low molecular weight
collagen*

Peptide

Firming · Barrier Care

Low Molecular Collagen X Peptides

Low molecular collagen penetrates deep into the skin,
thoroughly filling the gaps between skin layers.

It contains peptides, which support collagen and elastin
production, helping the delicate eye area feel firmer and healthier.

* Images shown are for illustrative purposes only

* Descriptions are based on the characteristics of raw ingredients

Contains ingredients for clear skin texture and deep hydration

Whitening effect

Fermented Rice Bran

Helps brighten dull and tired skin

Hydration barrier

Ultra-Low Molecular Hyaluronic Acid

Helps prevent moisture loss and maintain hydration

Water

Oil

**Builds skin's
firmness and hydration
with every serum application**

This deeply concentrated formula contains oils that blend with moisture, delivering moisture to the skin the moment it's applied.

A rich, concentrated formula where moisture and micro-oils unite, drenching skin in hydration upon application

Rich
Texture

PDRN Collagen Serum
 a highly concentrated serum
 that seeps into the skin refreshingly

A refreshing, fast-absorbing
 concentrated serum

**Worry-free,
 irritation-tested formula**

Completed irritation test

Tested non-irritating in skin irritation trials,
so even sensitive skin can use it with peace of mind.

*Primary Skin Irritation Test via Patch Application:

Korea Dermatology Research Institute, May 27–30, 2025.

Visual evaluation conducted at 30 minutes / 24 hours / 48 hours after 24-hour closed patch application.

Final participant count: 31.

*Results may vary by individual.

mixsoon PDRN Collagen Serum
Boosting serum that fills the moisture barrier thoroughly

mixsoon PDRN Collagen Serum

Recommended

Recommended for people like this!

Moisture inside out

Restoring skin vitality

Perfect base for flawless make up

Fast moisture absorption

Lightweight moisture without the stickiness

HOW TO USE

Apply an appropriate amount during

your skincare routine and gently spread it evenly over your face to aid absorption.
